

# **ALREWAS welcomes ALL**

Alrewas CC wishes to maintain and build on its reputation for making all members of the community feel welcome here.

To support this, members, guests, and visitors are asked not to make derogatory and stereotypical comments, notably regarding race, religion, gender, sexuality, and disability.

Anyone ignoring this request may be asked to leave, with suitable disciplinary action against members, or reports made to visiting clubs.

Players are also reminded of the Derbyshire League standards displayed in the dressing rooms, which we would expect to be upheld in all games.  
A copy of the ECB Code of Conduct is displayed on the club noticeboard.
